## **What are people saying?**

“Happy to support your initiative, it is a very valuable service”.

Jodene Jackson, Chapman Tripp Auckland, New Zealand.

“When it comes to delivering a social message, radio is a powerful voice. The Radio Network is partnering with CorporateCitizens as the tool they have created is invaluable. It more easily allows business and social organizations to match-up to make a difference. Through CorporateCitizens if The Radio Network can help make a social difference, then everyone is richer. That sounds like good business to us.”

David Brice, Director of Programming & Marketing The Radio Network
